The main map displays the territory of Saluzzo, Italy, with a focus on civil protection and infrastructure. The map is bounded by a dashed line representing the municipal territory. Key features include:

- Geography:** The Tanaro River flows through the center of the map. The town of Saluzzo is located in the upper right quadrant. Other nearby towns include Barge, Cardè, and Villanova Solaro.
- Infrastructure:** A network of roads is shown, including the SS9 (SS9) and the SS9A (SS9A). A railway line (R.F.) runs vertically through the center. A network of water supply lines (Rete acquedotto) is shown in blue, with various reservoirs and wells (Idranti) marked with blue squares. High-voltage power lines (Reti elettriche alta tensione) are shown in red.
- Buildings and Landmarks:** Numerous buildings are shown, including the Caserma (Caserma) and the Chiesa (Church). The Chiesa is located in the center of the town. The Caserma is located in the upper right quadrant. The Chiesa is located in the center of the town. The Caserma is located in the upper right quadrant.
- Legend:** The legend is located in the top left corner of the map area. It defines the symbols used for structures, water services, and electrical infrastructure.
- Scale and Orientation:** A scale bar (0 to 1,000 meters) and a north arrow are located in the bottom left corner of the map area.
